

NLPtCA Social Media Policy

NLPtCA has authorised accounts set up on social media outlets for the following purposes:

- To promote NLP as a modality of Psychotherapy
- To distribute NLP or Psychotherapy related content to interested parties
- To encourage expansion of membership
- To engage with existing members
- To promote Members businesses and services

Content does not necessarily represent the position of or the opinion of NLPtCA.

NLPtCA reserves the right to delete or not distribute:

- Information which violates NLPtCA's equal opportunities or diversity policies
- Information which is not in line with the NLPtCA code of Ethics

Approved by the NLPtCA Board August 2014
